4) 2. The detailed estimate for the work has not been received

5) 3. The quantities against the several sub heads cannot therefore be verified in the absence of the detailed estimate. The reasons for such heavy excess under earthwork are not clearly explained in the report. It is not known if each foot path is 25' wide.

6) 4. A proper detailed estimate with a plan and comparative statement along with the sanctioned estimate and report may be obtained to enable scrutiny of the estimate.
